Dear Mr. Hendricks:

On behalf of Mr. Casey I would like to thank you for your kind invitation to address your student group as well as others on the University of Evansville campus. Because of the nature of our mission in the collection and analysis of foreign intelligence, topics which might be appropriate for discussion with your group probably could be better addressed by representatives of the FBI, Drug Enforcement Agency, or the Bureau of Alcohol Tobacco and Firearms. In fact, federal law specifically prohibits the CIA from getting involved in any domestic law enforcement activities.

I enclose a couple of documents which explain the mission and organization of the CIA as well as a copy of the Executive Order which describes our intelligence operations. We would like to wish you and your club every success and I invite you to contact me if there is any way in which I can be of further service.

Sincerely yours
